Mr. Gordon E. Beckord
Professional Associate
Committee on Geography
Division of Earth Sciences
National Academy of Sciences-NRC
2101 Constitution Avenue, N. W.
Washington, D. C. 20418

Dear Gordon:

Permission has been granted to the geographers in the Agency to fill out and submit the questionnaire your Committee on Geography proposes to use to make a survey of geographers in the Federal service.

It has been approved with the following assurances:

(1) That the information will be used only in the preparation of the proposed study

(2) That the Agency will not be identified in the study with specific numbers nor totals

(3) That the information will become the property of the Earth Sciences Division and will not be made otherwise available.

(4) That all materials thus collected will be destroyed upon completion of the study

I would appreciate an acknowledgment of this communication.

Sincerely,

(signed) Jim
